Purpose

International Club aims to bring awareness about international issues on campus, openness to ethnic diversity, as well as provide services to the campus and Kirksville community through international exchange.

International Club works to promote better understanding, unity, and cooperation among all students.

History

International Club (I-Club) was formed and chartered in 1935 by a group of students dedicated to creating social awareness and understanding between American students and students who were foreign born or/and recent immigrants to the United States. Today, I-Club continues to achieve these aims and also strives to foster an understanding between international students about each others' cultures.

Activities

International Dinner

International Dinner is a formal event held once a year. It was voted as "Best Event" This dinner features more than 20 authentic dishes from around the world prepared by teams of international students. At the end of the evening, the audience votes for the best dish.

Students perform Nepali Dance at 2008 International Dinner

International Idol

This is an exciting talent show in which any Truman student can apply (by yourself or in a group) to perform an act that showcases his or her talent. It is also held once a year.

Students show off at the 2008 Midnight Masquerade Semi-Formal Dance.

Semi-Formal Dance

Our Semi-Formal is held every semester and features music from all over the world. This event provides an opportunity for people to socialize and dance the night away.

Social Events

Members have fun and get to know one another through social events such as foreign movie nights and pot lucks.
